

Has your company grown faster than its legal compliance?

Close the gaps, dodge the traps with a

Litigation Mitigation Checkup

Waddey Acheson identifies your legal practices with:

- Up to two days of employee interviews
- A review of key company documents
- A report of vulnerabilities and recommended improvements
- Flat fee pricing

Topics include:

- Your Litigation History
- Employment
- Corporate Transparency Act and Corporate Governance
- Data Privacy and Security
- Workplace Health and Safety
- Competition and Antitrust
- Contractual Obligations
- Document Management
- Product Liability
- Intellectual Property
- Import Practices
- AI Use

You are welcome to engage us further to implement our recommendations.

Disclaimer: The checkup is a high-level review of small or mid-size non-public companies. The checkup is limited in scope and is not a comprehensive or exhaustive assessment of legal risk, even within the subject areas set forth above. It is conducted by legal generalists; specialists could identify issues that we do not. We employ our professional judgment and experience to identify manifest issues.
